
Earth Bowl

Ingredients and Supplies

- 1 package (4-ounces) raspberry Jell-O
- 1 package (4-ounces) instant vanilla pudding
- 1 package (8-ounces) black cherry Jell-O
- 4 C boiling water
- 4 C cold water
- 3 mixing bowls
- 12 graham crackers
- ½ C melted margarine
- ¼ C sugar
- 10" diameter clear glass bowl

Procedure

Prepare each Jell-O in separate bowls and according to package directions. Put in refrigerator to set. Crush the graham crackers into fine crumbs. Mix the graham cracker crumbs with the melted margarine and sugar. Press the mixture on the bottom and along the sides of the glass bowl to form a crust. Set aside. After 2 hours the gelatin will set. Spoon the black cherry into the graham cracker crust. Form it so that there is about a 5" pocket in the middle. Next, spoon in the lemon gelatin, leaving a 2" hole. Into this center, spoon the raspberry gelatin.
