
Gross Brain Food

Ingredients and Supplies

2½ C boiling water
2 packages (8-serving size each) Jell-O, any green flavor
1 C cold milk
1 package (4-serving size) instant pistachio pudding
Lettuce - garnish
Gummy worms **and or** gummy grubs
1 brain mold

Procedure

Stir boiling water into gelatin in large bowl at least 3 minutes until completely dissolved. Cool 30 minutes at room temperature. Pour milk into medium bowl. Add pudding mix. Beat with wire whisk 1 minute. Quickly pour into gelatin. Stir with wire whisk until well blended. Pour into brain mold. Refrigerate 3 hours or until firm. Dip mold in warm water about 15 seconds. Line a serving dish or platter with lettuce. Unmold brain onto platter. Decorate with gummy worms and or gummy grubs. This actually tastes good, but it grossed everyone out at our last Halloween party!
