
Rocket's Red Glare Dip

Ingredients and Supplies

1 large cabbage
Carrots
Radishes
Cucumbers
Baby corn cobs
Cherry tomatoes
Broccoli
Your favorite dip
10 **or** more wooden skewers

Procedure

Hollow out the cabbage top and fill with dip. Slice carrots, radishes and cucumbers. Thread veggies onto skewers with baby corn cobs or carrot tips at the ends for each rocket. Skewer the rockets into the cabbage. Since it was for a patriotic party, I added a couple of patriotic decorations. Place cabbage on plate, surround with additional veggies for dipping.
